MALARIA

An Antidote which will cure every vari

ety of Ague, Fever and Ague, and Chills

and Fever, and leave no bad trace or disor-

der in the system, has been discovered by

one of America's greatest Chemists. This

preparation or principle is known by the

name of CLIFFORD'S FEBRIFUGE. Being

entirely free from minerals or other dele-

terious materials, it accomplishes its work

without being in the least harmful to the

system. This popular remedy differs from

all other Ague Cures, in being free from all

poisonous effects on the system; it enter

into the circulation and destroys all mala-

rious poison, and thus eradientes the dis-

ease without producing any of those dis-

and pain in the head, ringing in the ears

and partial deafness. It is a question of

importance to all afflicted creatures, wheth-

er they will be cured of disease by reme

dies'which leave a long train of bad after-

ffects, or by a medicine that strikes at the

cause of the malady and eradicates it,

without doing any more harm than that

much water. No other preparation known

mittent diseases at all comparable with it.

exercises an eradicating power over inter

It enters the circulation and utterly de-

stroys the germs of poison; it will purify

and build up the debilitated system in a

shorter time, and with more lasting benefit

than any other known remedy. As a Tonic,

it acts as an Antiseptic and Blood Purifier,

bringing renewed energy and vitality to

the body worn down by disease. It is Na-

ture's own remedy for all diseases arising

from malarial poison. Palatable, Power

ful, Antiperiodic and Tonic, it never falls

to cure Fever and Ague, Dumb Chills, Con

gestive Chills, Billous Fever, Periodica

Neuralgia, and all diseases of malarial

origin. The only article known that will
